**[Sign Up Here](#)**

**What is Nvolve?** Nvolve is a non-profit dedicated to increasing the participation of women in technology, engineering, life sciences, and health careers by overcoming gender, racial, and socioeconomic barriers.

### Mentorship with Experts

Learn the fundamentals of your industry and select a mentor from our team of successful professional women in STEM and leadership fields.

### Building Leadership Skills

Attend weekly workshops to sharpen your leadership skills with unparalleled networking opportunities. Bring your work to the next level!

### Technology & Science Projects

Test new ideas and practice innovation. Receive a stipend to conduct research projects. Expand your professional portfolio!

**Become an Nvolve Scholar!**

At Nvolve, you become part of a unique STEM community, connecting with fellow students and professionals. Gain essential skills in goal setting, communication, negotiation, collaboration, active listening, focus, and time management. Nvolve prepares you to navigate your STEM career path with confidence. Shape your future by becoming an Nvolve scholar today!
