

**Now
Recruiting for
Fall 2022!**

Become an Nvolve Scholar STEM Mentoring Program

Does this Sound like You?

A fulltime college sophomore or junior?

Pursuing a STEM degree?

Preparing yourself for post-graduate transition?

Interested in personalized mentorship by women in STEM?

You can be an Nvolve scholar! Apply Now at [NvolveMe.org!](https://NvolveMe.org)

What is Nvolve? Nvolve is a non-profit start-up dedicated to increasing the participation of women in technology, lifesciences, and health careers by overcoming gender, racial, and socioeconomic barriers.

Mentorship with Experts

Learn the fundamentals of your industry and select a mentor from our team of successful professional women in STEM and leadership fields.

Building Leadership Skills

Attend weekly workshops to sharpen your leadership skills with unparalleled networking opportunities. Bring your work to the next level!

Research Projects

Test new ideas and practice innovation. Receive a stipend to conduct research projects. Expand your professional portfolio!

Become an Nvolve Scholar!

With Nvolve, you join a selective community of STEM scholars and mentors. You build core skills in goal setting, communication, negotiation, active listening and so much more. You learn how to tackle the challenge of focus and time management. The Nvolve experience will better prepare you to enter your chosen STEM field by providing you with unique industry, academic and peer networks. Help us shape your future. Become an Nvolve Scholar!
