4 Meetings: 4 Hours

Become an Nvolve Mentor!

At Nvolve, you join a selective community of STEM mentors and scholars. Utilizing our approach, you help shape the future of high-achieving college women of diverse backgrounds by mentoring them on core skills such as goal setting, communication, negotiation, active listening, and more. Nvolve helps students enter their chosen STEM field by providing unique industry, academic, and peer networks.

A Better World STEMs From Her.
